

The Fellowship of Christian Students/Athletes is touching millions of lives across the nation. Since 1954, the FCA has been challenging coaches and athletes on the professional, college, high school, junior high, and youth levels to use the powerful medium of athletics to impact the world for Jesus Christ. FCA focuses on serving local communities by equipping, empowering, and encouraging people to make a difference for Christ. While this is a time for athletes to share their beliefs and experiences, we do not limit the attendance/membership to just athletes or just Christians. We invite anyone who is interested to come check us out and start your day in a positive way!
