Dear Parent or Guardian:

Recent changes in legislation have expanded opportunities for students to include virtual courses as a part of their school schedule. The District School Board of Pasco County can extend this opportunity to you. Offered through Pasco eSchool, your child would take part in a fully accredited learning experience guided by certified educators.

Parents may rest assured that our schools always continue their tradition of providing excellent academic challenges every day to meet the needs of all students and help them achieve their learning goals. We want families to understand that a virtual school course is only one of the options offered to students, and it is not required for your child to participate at this time.

For self-motivated learners who know how to organize their time and see tasks through to completion, a virtual school course may be a good fit. Parents of students taking virtual courses must be prepared to commit to a schedule of monthly calls with the virtual school teacher in order to review academic progress.

To learn more, please visit <http://eschool.pasco.k12.fl.us/> to view an informational video and read more about virtual school offerings. You will find a sign-up link for an orientation session where you can hear more and ask questions about this option.

The enrollment periods for the district virtual school program are:

- Early Bird Enrollment for 2013-2014 School Year: April 1, 2013 – June 30, 2014
- Open Enrollment Period for 2013 – 2014 School Year: July 1 – September 6, 2013
- Mid-Year Enrollment (Grades 6-12 Curriculum Only): November 1, 2013 – January 17, 2014

We look forward to working with you to make sure that your child has a successful school year.

Sincerely,

Principal
