

# HOSA is Health Occupations Students of America

I \_\_\_\_\_ am interested in joining the Health Occupations Students of America Club at Dr. John Long Middle School. HOSA is a National organization dedicated to students who share an interest in health careers. Through regional competition in specific events, students meet like-minded peers and challenge each other to excel. HOSA does require dues for state and national affiliation of \$40.00 per year. This fee is required by November 15th. Payment can be made in the Rycor online portal for Pasco County Schools. Regional competition is held in January or February for local area middle school students. Why Affiliate With HOSA? HOSA is the only career and technical student organization designed to exclusively serve the needs of students in health science training programs. HOSA is for, and led by, students. HOSA is recognized by the U.S. Department of Education and the Health Science Education Division of the Association of Career and Technical Education (ACTE) as an integral part of such education. HOSA is the recognized Career and Technical Student Organization (CTSO) by the Florida Department of Education. HOSA promotes and develops a respect among students, teachers and the community for Health Science Education. HOSA provides opportunities for students to sharpen their occupational awareness and skills while developing valuable leadership qualities.

-----  
I plan to attend the meetings scheduled for the 2nd and 4th Wednesday of the month from 3:30-4:30 pm in room 2-106. My parent/guardian must plan to pick me up at 4:30pm on club meeting dates. Failure to pick up on time may result in loss of club membership. Also, annual dues are required for this club for state and national affiliation and total is \$40.00 due by Nov 15th. Advisor: Ms. Livdal e-mail: alivdal@pasco.k12.fl.us. Room 2-106 . Payments must be made in Rycor.
