

From Flat to Fabulous: Working with 3D Art

Students will create 3D art using a variety of materials. They will learn how to speak through their art, going beyond aesthetics and exploring purposeful design.

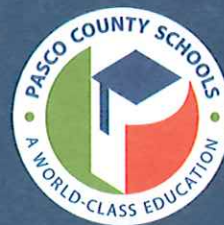

Dive into 3D art this summer!

Join us for fun and age-appropriate learning activities at the After School Enrichment Programs (ASEP) Specialty Summer Camps.

- For students in grades 3-5 and 6-8
- Each camp is limited to 30 students per session
- Camps are 2-weeks long and offered all summer
- Participation is FREE
- Transportation not provided
